Marianist Province
of the United States

Celebrating 175 Years of
Ministry in the United States

XXXVI
GENERAL CHAPTER
SOCIETY OF MARY
2024

Mission Statement

Empowered by the Holy Spirit and inspired by the dynamism of Blessed Chaminade's charism, we — brothers and priests — vowed religious in the Marianist Family, live in community as equals.

Through lives of prayer and Gospel service, we dedicate ourselves to the following of Jesus Christ, Son of God become Son of Mary. Wherever we are sent, we invite others to share in Mary's mission of making Christ present in every age and culture by forming persons and communities of apostolic faith that advance justice and reconciliation.

Committed to education, we minister with youth and in solidarity with the poor.

Solemnity of the Assumption
of the Blessed Virgin Mary

My Dear Brothers,

Greetings and peace to each of you during what is another exciting year for our Province. Each of us has the memories of special days and events as individuals. As a Province, we have a list of special events and anniversaries that we have celebrated throughout the years. We give thanks for each of these, and we ask God to continue to bless us and our Province.

As I think about remembering and celebrating the milestones, I am drawn to memories of my Novitiate experience with much fondness and the seven other men with whom I began and completed the Novitiate. To this day, there are six of us in the Society of Mary. I firmly believe that they helped to set the tone for my Marianist Religious Life. A tone of excitement for life and that life is about presence and fidelity to prayer and community. I also must give credit to the Novitiate team (Fr. Bill Behringer, SM, and Bro. Tom Pieper, SM.) I'm thankful for each of them.

In the name of the Provincial Council, I'm thankful to each of you for the continued gift of your life to the Province and to the Church. May God continue to bless each of us and give us the grace of perseverance.

This year, we are celebrating 175 years of the Society of Mary's presence in North America. We give thanks and ask God to continue helping us follow the dream of our founder, Blessed Chaminade, of joining Mary in bringing disciples to her Son.

The Provincial Council offers the 175th logo for the coming year. Digital copies will be available on the portal.

To enter into a Spirit of Thankfulness, I took a small poll around the office and checked the Provincial Chapter Commendations for the last two years to see what recent celebrations we have been a part of.

I encourage you to continue the conversation in your community to see what other celebrations should have been on the list.

Here you go....

I offer these dates as a reminder that we have been Blessed. The 20th Anniversary as a Province, as well as the General Chapter, calls us to remember that from our beginnings, we have educated the youth. More than ever, our world needs the Marianist approach to life. Yes, there are fewer of us, but we are also part of a wider Marianist Family. Yes, we are fewer, but this calls us to be more attentive to our vocation and formation efforts. Please take the time to read the documents from the General Chapter. They call us to action and continued passion for the Marianist way of life. Ad multos annos!

United in the Marianist Charism,

Rev. Oscar Vasquez, SM
Provincial

Province Directional Statements

1. Witness the “Marian Face” of the Church

We will foster the development of the Marian Face of the Church which derives from baptism: familial, humble, inclusive. We will seek diversity, justice and to be responsive to the needs of the world.

2. Be a Companion to Youth

We will seek to sustain, even expand in new ways, our accompaniment of young people as they mature, grow in faith and discern their vocation.

3. Collaborate with the Other Branches of the Marianist Family

We will collaborate with the other branches of the Marianist Family to support leadership, spiritual and apostolic formation, and organizational structures which strengthen and sustain leadership by Marianist laity.

4. Actively Invite Others to the Marianist Family

In union with the Marianist Family, we will build our capacity to actively invite and encourage a diversity of persons, particularly youth and young adults, to consider a commitment to the religious or lay branches of the Marianist Family.

5. Responding to the Reality of our Province Demographics

Given the reality of our demographics, the needs of the Church, and the signs of the times, we will review our current apostolic commitments to support, sustain and advance the Marianist witness of our mission.

The Society of Mary (Marianists), an international Catholic religious congregation of brothers and priests, was founded in 1817 in France by Blessed William Joseph Chaminade. The Society of Mary, together with a religious order of women, the Daughters of Mary Immaculate, and numerous affiliated lay groups, form the Marianist Family.

The Marianists first settled in the United States in 1849 in Cincinnati, Ohio. In 1908, this American Province was divided into two: the Province of Cincinnati and the Province of St. Louis. The Cincinnati Province was divided in 1948 to form the Pacific Province and again divided in 1961 to form the New York Province. On July 1, 2002, the four Provinces united as the Province of the United States, headquartered in St. Louis.

The Marianist Province of the United States comprises about 190 professed brothers and priests serving in the United States. The Province also includes communities and ministries in India, Ireland and Mexico. Province ministries include sponsored universities, high schools, middle schools and primary schools; parishes, retreat centers, and programs of spiritual formation; works of social justice and environmental integrity; service to the Marianist Family, formation, administration and art.

This Personnel includes members of the Society of Mary as of August 15, 2024. Priests are marked by an asterisk.
